Dear member,

Thank you to all that attended yesterday's Annual General Meeting (AGM). In line with the club's constitution all committee members relinquished their positions at the AGM. Some committee members stood down from positions, other committee members put their names forward for positions and some TAC members also put their names forward for positions. Each nomination was appointed subject to a vote.

On behalf of the whole club, I would like to thank members who have been on the committee, however, are stepping down. Your support to the club is very much appreciated by us all. Particular thanks go to:

Dean Kirton.

Dean, has been Chair for many years and is an integral part of the club. We thank him for his stewardship and dedication. Dean will be remaining with the club as a Coach.

Ann Kirton.

Ann, has led on Junior Membership and Junior Welfare, again for many years. She has and continues to dedicate so much time to support the Club as a Coach.

We are in a position where it is **critical** that we find a Welfare Officer for juniors. Without one, we cannot continue with training. This person does not need to be at all training sessions, nor do they need to be a coach to undertake this role. We are appealing to our junior parents for support in this. Again, without this position filled we cannot continue with training. The Welfare Officer position is mandated for all clubs as set out by England Athletics. Please email ThetfordACsecretary@gmail.com for details.

Over the next few weeks, we will be transitioning between roles in the committee. These changes do not change anything from your perspective, these will be different people delivering these key roles.

As ever thank you to our coaches and committee members for volunteering their time to support all our members. Thank you to you also, for being part of Thetford Athletic Club.

Yours Sincerely,

Nicholas Jones

Thetford Athletic Club – Secretary
